The National Matte Smelter.

A practical and simple method of smelting
sulphide ores, such as nickel, copper, gold and
silver ores. In localities where lead ores and
fuels are scarce and almost unobtainable, our
pyritic water jacket Matte Smelter has been re-
cognized with highly satisfactory results, and
has been thoroughly tested on various pyritic,
sulphide and arsenide ores, in capacity of a
ton per day. It is the most practical,
cheapest and simplest method of gold and silver
ore smelting and concentrating that is known
today.It requires no extraordinary skill, no lead ores,
no smelting material, and no fuel of any kind for
the smelter after it is started. The sulphur in
the ore is its natural fuel only, and its cost has
in comparison with any other process of con-
centrating.We are prepared to furnish any size or capacity
plant complete to substantial mining people.
Let it up and furnish our men to run it for them
on easy payments. Price and specifications
furnished with references and testimonials on
application.NATIONAL ORE & REDUCTION CO.

Cure for Headache.

As a remedy for all forms of Head-
ache Electric Bitters has proved to be
the very best. It effects a perma-
nent cure and the most dreaded habi-
tual sick headache yield to its influ-
ence. We urge all who are afflicted
to procure a bottle and give this rem-
edy a fair trial. In cases of habitual
constipation Electric Bitters cures by
giving the needed tone to the bowels
and few cases long resist the use of
this medicine. Try it once. Fifty
cents and \$1.00 at Tombstone and
any Drug Store.

Gladness Comes

With a better understanding of the
transient nature of the many phy-
sical ills, which vanish before proper ef-
forts—gentle efforts—pleasant ef-
forts—rightly directed. There is comfort in
the knowledge, that so many forms of
sickness are not due to any actual dis-
ease, but simply to a constipated con-
dition of the system, which the pleasant
family laxative, Syrup of Figs, promptly
removes. That is why it is the only
remedy with millions of families, and is
everywhere esteemed so highly by all
who value good health. Its beneficial
effects are due to the fact, that it is the
only remedy which promotes internal
cleansing, without debilitating the
organs on which it acts. It is therefore
all important, in order to get its bene-
ficial effects, to note when you pur-
chase, that you have the genuine article,
which is manufactured by the Cali-
fornia Fig Syrup Co. only and sold by
all reputable druggists.If in the enjoyment of good health,
and the system is regular, laxatives or
other remedies are then not needed. If
afflicted with any actual disease, one
may be commended to the most skillful
physicians, but if in need of a laxative,
one should have the best, and with the
well-informed everywhere, Syrup of
Figs stands highest and is most largely
used and gives most general satisfaction.W. O. ABBOTT,
ASSAYER.

Challenge.

A SPEEDY CONVICTION.

General Happenings Through-
out the Country.WASHINGTON.—Senator Peffer before
leaving here for home today expressed
an opinion that Teller would not be
nominated by the Democrats, and
declared the populists should nomi-
nate an independent ticket.LEAVENWORTH, Kan.—Captain
William Mathias died here today
aged 73. Captain Mathias was one of
the most prominent lawyers and
politicians in Kansas.SAN FRANCISCO.—James J. Corbett
has answered Sharkey's verbal chal-
lenge for a fight to a finish made at
the ring side after last night's contest,
by himself announcing his intention
to issue a challenge to all comers,
Fitzsimmons preferred. If the latter
does not accept within two weeks Cor-
bett says he will make arrangements
for a fight with Sharkey, to take place
on agreed territory, preferably in
Mexico.WASHINGTON.—The case of Irvin
Ford, colored, hanged today, his case
will make a record for dispatch. He
murdered Elsie Kregio on May 4 and
led to Harpers Ferry, where he was
arrested. On the Monday following,
May 11, he was arraigned and pleaded
guilty. The plea Judge Cole set aside
and convicted him of the crime by
proper testimony. On the 20th he
was convicted. Of course he was a
poor colored man, but still the pros-
ecutor's office is proud of the swiftness
displayed.DENVER, Colo.—Friends of Senator
Teller, who have been advocating his
candidacy on the silver ticket for
president, are feeling very much en-
couraged by the reception boom started
at St. Louis immediately after the
halt of western delegates and its effect
in the west and South. It is announ-
ced that Teller's name will be positively
presented to the Chicago convention
and it is hoped the strength he will
show on the initial ballot will stamp-
ede the convention to him.BUTTE, Mont.—This evening Con-
gressman Hartman addressed five
thousand people and explained in de-
tail the St. Louis bolt. He said he
had turned his back on the national
Republican organization until it again
represented the people.MARIETTA, O.—A cloudburst took
place last night which covered a wide
area and was the most destructiveever known in this territory. Houses
were swept away, stock of all kinds
drowned, and persons narrowly escape
with their lives.
